

Central Heating & A/C Repairs
Preventative Maintenance Agreement
Slidell, LA
(504)339-5648 / (985)788-3416
Call us today

The following is a summary to describe our **Preventative Maintenance Agreement** per A/C and Heating System. We will agree to perform scheduled work for **\$130** for two visits as described below.

Air Condition Checkup \$65.00

- Wash air filters with commercial solution restoring them to new condition.
- Clean condenser and evaporator coils.
- Clear and inspect drain lines.
- Vacuum return air and secondary drain pan.
- Tighten all electrical connections.
- Check electrical capacitors and contactors.
- Inspect and clean blower wheel if needed.
- Seal any air leaks.
- Check refrigerant charge.
- Take amp readings on fan motors and compressor.
- Make recommendations as needed.

Heater Checkup \$65.00

- Wash air filters with commercial solution restoring them to new condition.
- Clear and inspect drain lines.
- Inspect heating electrical components.
- Inspect and clean blower wheel if needed.
- Vacuum return air and secondary drain pan.
- Take amp readings on heating elements and blower motor.
- Seal any air leaks.
- Make recommendations as needed.

Also if our service is needed between the scheduled maintenance visits we dispatch our technicians on weekends and holidays at the same rate as normal business hours (\$65 service call). It is a company policy to put our customers first.

Thank you in advance for considering this proposal, and we look forward to providing excellent service for all of your HVAC needs.
